## ■ Installation of stands

All stands have to be installed as self-supporting constructions. Fastenings on the walls, pillars and floors of the halls are not allowed. Pillars, buttresses, projections etc. within the exhibition area are part of the allocated space. It is not allowed to exceed the allocated space for installation. Sticking up of advertising material on the walls, pillars or other parts of the venue is not allowed. The exhibitor is liable for any damages owing to violations and is responsible for the security of the stand; they must provide evidence of this. Lighting facilities and signs may not exceed the limits of the stand. m:con retains the right to bill for any additionally used space.

**Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible.**

Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible. A minimum safe distance of 0.5 m to the ceiling sprinklers has to be kept.

Rear sides of stands which are visible and back onto neighbouring stands or those stands which are free standing must be of a smooth construction and neutral colour (white or light grey). The exhibition organizer reserves the right to insist on the modification of stands which are deemed inadequate or non-approved along with the right to order the removal of inappropriate exhibits when these are either bothersome or dangerous to visitors or exhibitors. Serious security defects can also lead to either partial or complete closure of the stand.

## ■ Insurance

The exhibitor shall be liable for all personal and material damages that arise from the operation of their exhibition stand and materials. It is recommended that the exhibitors obtain adequate insurance protection.

## ■ Internet access / EDP

Please note that in case of orders for internet access, the configuration or installation of additional hardware and software brought by the customer is not included in the range of delivery. The exhibitor is responsible for the observance of the licensing agreement in case of software brought by himself. Internet access can only be ordered online. The exhibitor is responsible for the rented technical equipment for the duration of the rent.

For increased traffic and complex presentations on the booth we recommend the booking of a broadband LAN-connection.

***Exhibitors at the Maritim Hotel Berlin are not permitted to set up and run their own wireless networks.*** Non-compliance with this regulation may as applicable result in claims for damages by the event organiser or the neighbouring exhibitors affected.

## ■ Motor vehicles

The exhibiting of motor vehicles must always be approved of by the exhibiting organization. Motor vehicles with internal-combustion engines may only be exhibited in Maritim Hotel Berlin if the tank of the vehicle has been emptied to a maximum of 5 liters of gasoline and filled up with nitrogen, and also only if the battery cables have been disconnected.

## ■ Respirable dust badge: „Feinstaubplakette“

Please note that from 1st January 2013 on it is absolutely necessary in Berlin to place a respirable dust badge coloured green in your car or lorry. You may get this badge at the TÜV, DEKRA , authorized garages and by internet. Please read up on this topic! Further information please find e.g. at [www.umwelt-plakette.de/](http://www.umwelt-plakette.de/).

## ■ Smoking

**Smoking is strictly forbidden in the whole inside area of the Maritim Hotel Berlin at any time.**

**Smoking is strictly forbidden in the whole inside area of the Congress Center Rosengarten at any time!**

## ■ Stand roofs

As a matter of principle, stands must be open at the top. This is to ensure sprinkler protection. Roofs shall only be possible in exceptional cases and must be approved by the exhibition organization. Evidence of sprinkler suitability must be kept on hand in any stand with an approved roof.

## ■ Storage of information material and brochures

The storage of informational material is only permitted in the amount required for that given day and only on the stand surface. Storage outside of the assigned stand surface is not permitted.

## ■ Suspensions

Prior approval by the organizer of the exhibition is necessary for suspensions. They are only allowed in exceptional cases.

# servicehandbook

**FOR EXHIBITORS:** Important information – compact and clear

## ■ Theft

In order to keep the danger of theft as low as possible, we ask you, in your own interest, not to leave your stand unattended after the delivery of exhibits. In general, a stand guarding, especially for the nights, is to be recommended. In any case, you should lock away valuable goods during the night.

We recommend you never to leave your stand unattended during the opening hours and to make goods in danger of theft especially secure. On removal, we ask you not to leave your stand before valuable goods have been loaded or handed over to the carrier. If this is not possible, it is advisable to book a stand guarding.

## ■ Woodworking

The German regulation concerning hazardous substances (GefStoffV - §8 Paras. 2.2 and 2.7) requires that appropriate suction equipment be fitted to woodworking machines. If this regulation is not heeded, Maritim Hotel Berlin and m:con will stop assembly work.
