05 | Information on Delivery and Installation

- Delivery

Owing to a shortage of space, deliveries can be carried out only on the days of installation. For organizational reasons, earlier deliveries have to be carried out by the forwarding company ‘Spedition Schenker’ (address see “Storage”, page 10) at your expense, otherwise they are returned at your costs.

For deliveries of advertising material, brochures and other articles, please indicate the following extended address:

Maritim Hotel Berlin
DGK Herztage 2018
Name of your contact at the exhibition
Mobile number of your contact at the exhibition
Stand number
Stauffenbergstraße 26
10785 Berlin
Germany

Please note that deliveries have to be effected directly to the stand area. Maritim Hotel Berlin and the congress organizer do not accept any deliveries.

All deliveries are left to the owner’s risk: m:con and the congress organizer do not assume any responsibility for deliveries.
**Un- and uploading at Maritim Hotel Berlin**

The delivery to the Maritim Hotel Berlin has to be made via Hitzigallee (on the back side of the hotel). Parking in the immediate vicinity of Maritim Hotel Berlin, especially in loading yards and in front of the exits is prohibited for all types of vehicles. Vehicles are to be removed immediately after un- and uploading.

On entering the Hitzigallee, the time of arrival and the driver's mobile number are taken down by one of our employees, and a time of departure is also agreed upon. Should pallets be delivered, please note that Maritim Hotel Berlin cannot provide a hand pallet truck. It has to be provided by the exhibitor.

**Lifts / goods lifts**

The delivery in the exhibition area is at ground level. Lifts are not necessary.
Storage

It is absolutely impossible to store any kind of exhibits or empties before, during or after the exhibition at the Maritim Hotel Berlin. The storage of empties can be dealt with by e.g. the forwarding company Schenker:

- **Audio-/visual presentations**

Any kind of presentations on the stand requires the organizer’s approval. Approval is granted with the pre-requisite that the presentation will not negatively affect or interrupt neighbouring stands and the ongoing congress. The organizer shall have the right to cancel a presentation in the event of disregard for his regulation.
**Congress vouchers (voucher codes)**
Congress vouchers can be ordered in advance from m:con for the purpose of customer invitations. You will receive the vouchers by email in the form of voucher codes. Voucher codes that have been redeemed will be invoiced after the event.
If interested please contact m:con Registration Management, Ms Manon Waas, manon.waas@mcon-mannheim.de by **31.08.2018** at the latest.

**Construction heights**
The maximum construction height for stands vary from floor to floor. Restrictions owing to structural causes have to be observed.

- in hall „Saal Maritim“ out of the gallery: 3.00 m
- in hall „Saal Maritim“ beneath the gallery: 2.80 m
- in the foyer of hall „Saal Maritim“: 2.50 m
- in the main entrance foyer: 2.80 m

Prior approval by the exhibition organizer is necessary for construction heights exceeding 2.50 m. For this please send back the attached form until **07.09.2018**.

Floorings of all kinds from 4 mm on require approval by the organizer, have to be highlighted in contrast colour and secured against stumbling and tripping. Exceeding construction heights from 25 mm on require canted edges in contrast colour.

**Damage**
The exhibitor is responsible for damage to facilities of Maritim Hotel Berlin, floors etc., as well as to material let or lent to him.

**Disposal**
In general, reusable and eco-friendly materials have to be used for the installation and the operation of a stand. It is not allowed to leave any materials at Maritim Hotel Berlin. Any materials left are disposed of without checking the value at the exhibitor’s cost and at a higher charge.

**Electricity**
The laying of electrical cables outside the stand, as well as connection to the supply network may only be carried out by Maritim Hotel Berlin. For electrical
installations inside the stand, as well as for the laying of electrical cables, the instructions of VDE have to be observed. It is recommended to order Maritim Hotel Berlin to carry out the work inside the stands as well.

The equipment and the illumination of the stands have to be disconnected from the grid by the exhibitor after the end of the exhibition and before leaving the stand respectively. In case of non-observance as to the above mentioned switching off regarding equipment and illumination, m:con reserves its right to charge any costs that may result from additional consumption of electricity to the exhibitor’s account.

In order to provide suitable protection, all electrical appliances which generate or radiate heat (cooking plates, spotlights, transformers etc.) must mounted on non-flammable, heat resistant bases not containing asbestos. These require approval which must be applied for from m:con at least until 14.09.2018. Devices which do not have a CE marking may not be used as a matter of principle.

The exhibitor is responsible for the self-installation on the stand. If you wish electrical installations at a certain place, we ask you to let us have a sketch accordingly. If you require electricity, you can place your order online.

- Emergency exits and escape routes
  The aisles between the exhibition areas serve as escape routes in cases of Emergency. At no time these aisles should be blocked. Escape routes must always be kept free of hindrance.
  The exit doors, emergency exits and their signposting must never be obstructed, built over, closed in, obstructed by drapes or disfigured in any way.

- Empties
  During the installation, the duration of the congress and the removal, it is not allowed to store empties on the stands, outside the stands, inside the Maritim Hotel Berlin and in its outside area. Dispatch and storage of empties can be dealt with by the forwarding company Schenker (address see “Storage”, page 10).

- Examination of the rented space
  After the assignment of space, exhibitors must make themselves aware of any fixtures, in particular hall pillars, fire alarms, wall hydrants, ventilation systems, as well as uneven flooring. m:con shall not be responsible for the accuracy of dimensions on hall and stand plans.
**Exhibition construction company**

The exhibitor’s service handbook and all important information according the exhibition have to be forwarded to the exhibition construction company and other service providers by the exhibitor.

**Exhibitor cards / Congress tickets**

Exhibitor badges are personalised and do not grant access to the scientific programme and the industry symposiums (exception: a company’s internal industry symposium). However, the Congress tickets for exhibitors grant access to the scientific programme and the industry symposiums.

You will automatically receive an email with further information and a booking code which you can use to order exhibitor badges by **30.09.2018** at latest.

- **Exhibitor cards**: 2 exhibitor cards are free of charge up to an exhibition area of 10 sqm, plus 2 exhibitor cards per 10 additional sqm.
- **Exhibitor cards with costs**: 30.00 euros including VAT
- **Congress tickets**: 1 congress ticket is free of charge up to an exhibition area of 6 sqm, 3 congress tickets are free of charge up to an exhibition area of 50 sqm, 5 tickets are free of charge with an exhibition area of over 50 sqm.

For questions about exhibitor cards or congress tickets please contact m:con Registration Management, Ms Manon Waas, [manon.waas@mcon-mannheim.de](mailto:manon.waas@mcon-mannheim.de).

**Fire protection**

All materials of the stand have to be flame-resistant according to DIN 4102-1 (B1). The exhibitor must be able to furnish proof of flame-resistance on the stand at any time.

The fire extinguishers, wall hydrants and emergency buttons at Maritim Hotel Berlin must not be blocked or made inaccessible under any circumstances. It is not permitted to render the instruction signs illegible.

**Floor covering**

- In the hall „Saal Maritim“: blue carpet
- In the foyer of hall „Saal Maritim“: blue carpet
- In the main entrance foyer: light granite floor
Floor coverings and other floors have to be laid accident-proof and must not project over the boundary of the stand. If you lay floor coverings using double-sided adhesive tape, please note that it has to be removed without residue on removal. Remaining residues will be removed at the exhibitor’s cost.

The maximum floor loading capacity is 400 kg per sqm. In case that heavier exhibits are to be installed, it has to be arranged with and approved by the organizer. Loads should be distributed, concentrated heavy loads have to be avoided at any rate.

- **Forklift trucks / hand pallet trucks**
  Please note that Maritim Hotel Berlin cannot place forklift trucks and hand pallet trucks at your disposal. This service can be dealt with by forwarding company Schenker (address see “Storage”, page 10). Please note that the use of forklift trucks is not allowed inside.

- **Glass and plex-glass constructions**
  Only safety glass may be used in the construction of superstructures. Glass panes must be of a round edge construction or finished in such a way that potential injury risks are ruled out. Constructions made entirely of glass are to be marked at eye level.
  Safety glass must be used for any superstructures. Edges of glass sheets must either be rounded or designed in such a way that there is no risk of injury.
  Structures made entirely of glass must be marked at eye height.

- **Grinding work and all work with naked flames**
  All welding, cutting, soldering, thawing, grinding and other work which poses a fire hazard must be reported to m:con before the work starts and applied for in writing each day.
  Areas surrounding such flame work must be adequately screened off to eliminate danger. Fire extinguishers must be kept in the immediate vicinity.

- **Guarding**
  The organizer of the exhibition provides a general guarding without accepting responsibility for damage or loss. Articles brought to Maritim Hotel Berlin are at the owner’s risk, m:con accepts no responsibility for articles deposited. The exhibitor has to take care of a special guarding for his stand and goods himself. Stand guarding service can only be ordered online.
Hazardous materials
It is forbidden to use open fire or naked light, e.g. spirit, fuel, oil, gas, etc.

High-frequency units and radio units
The use of high-frequency units and radio units requires approval which must be applied for from m:con at least until 07.09.2018.

Householder’s right
Maritim Hotel Berlin and the service providers commissioned by Maritim Hotel Berlin shall have householder’s rights vis-à-vis the exhibitors, their builders and all individuals located in the exhibition space. The organizer shall have the right to expel from the Maritim Hotel Berlin individuals who do not adhere to the regulations of Maritim Hotel Berlin or the services providers commissioned by Maritim Hotel Berlin or who violate the conditions for participation. The organizer shall also have the right to ban these individuals. Maritim Hotel Berlin, m:con, persons commissioned by m:con, the police, the fire department and the supervisory authority shall have access to the stands at any time.

Illumination
Possibly, the general illumination at Maritim Hotel Berlin is not sufficient to illuminate the individual stands effectively. In your own interest, we recommend to plan an additional installation of illumination on your stand.

Information counter for exhibitors
During the congress an information counter for exhibitors will be operated at the conference counter where an employee of ours will be at your disposal for repeat orders and for any queries concerning your participation in the exhibition that may occur.
Installation of stands
All stands have to be installed as self-supporting constructions. Fastenings on the walls, pillars and floors of the halls are not allowed. Pillars, buttresses, projections etc. within the exhibition area are part of the allocated space. It is not allowed to exceed the allocated space for installation. Sticking up of advertising material on the walls, pillars or other parts of the venue is not allowed. The exhibitor is liable for any damages owing to violations and is responsible for the security of the stand; they must provide evidence of this. Lighting facilities and signs may not exceed the limits of the stand. m:con retains the right to bill for any additionally used space.

Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible. A minimum safe distance of 0.5 m to the ceiling sprinklers has to be kept.

Rear sides of stands which are visible and back onto neighbouring stands or those stands which are free standing must be of a smooth construction and neutral colour (white or light grey). The exhibition organizer reserves the right to insist on the modification of stands which are deemed inadequate or non-approved along with the right to order the removal of inappropriate exhibits when these are either bothersome or dangerous to visitors or exhibitors. Serious security defects can also lead to either partial or complete closure of the stand.

Insurance
The exhibitor shall be liable for all personal and material damages that arise from the operation of their exhibition stand and materials. It is recommended that the exhibitors obtain adequate insurance protection.

Internet access / EDP
Please note that in case of orders for internet access, the configuration or installation of additional hardware and software brought by the customer is not included in the range of delivery. The exhibitor is responsible for the observance of the licensing agreement in case of software brought by himself. Internet access can only be ordered online. The exhibitor is responsible for the rented technical equipment for the duration of the rent.

For increased traffic and complex presentations on the booth we recommend the booking of a broadband LAN-connection.
Exhibitors at the Maritim Hotel Berlin are not permitted to set up and run their own wireless networks. Non-compliance with this regulation may as applicable result in claims for damages by the event organiser or the neighbouring exhibitors affected.

Motor vehicles
The exhibiting of motor vehicles must always be approved of by the exhibiting organization. Motor vehicles with internal-combustion engines may only be exhibited in Maritim Hotel Berlin if the tank of the vehicle has been emptied to a maximum of 5 liters of gasoline and filled up with nitrogen, and also only if the battery cables have been disconnected.

Respirable dust badge: „Feinstaubplakette“
Please note that from 1st January 2013 on it is absolutely necessary in Berlin to place a respirable dust badge coloured green in your car or lorry. You may get this badge at the TÜV, DEKRA, authorized garages and by internet. Please read up on this topic! Further information please find e.g. at www.umwelt-plakette.de.

Smoking
Smoking is strictly forbidden in the whole inside area of the Maritim Hotel Berlin at any time.

Stand roofs
As a matter of principle, stands must be open at the top. This is to ensure sprinkler protection. Roofs shall only be possible in exceptional cases and must be approved by the exhibition organization. Evidence of sprinkler suitability must be kept on hand in any stand with an approved roof.

Storage of information material and brochures
The storage of informational material is only permitted in the amount required for that given day and only on the stand surface. Storage outside of the assigned stand surface is not permitted.

Suspensions
Prior approval by the organizer of the exhibition is necessary for suspensions. They are only allowed in exceptional cases.

- **Theft**
  
  In order to keep the danger of theft as low as possible, we ask you, in your own interest, not to leave your stand unattended after the delivery of exhibits. In general, a stand guarding, especially for the nights, is to be recommended. In any case, you should lock away valuable goods during the night. We recommend you never to leave your stand unattended during the opening hours and to make goods in danger of theft especially secure. On removal, we ask you not to leave your stand before valuable goods have been loaded or handed over to the carrier. If this is not possible, it is advisable to book a stand guarding.

- **Woodworking**
  
  The German regulation concerning hazardous substances (GefStoffV - §8 Paras. 2.2 and 2.7) requires that appropriate suction equipment be fitted to woodworking machines. If this regulation is not heeded, Maritim Hotel Berlin and m:con will stop assembly work.
07 | Catering
