**Parking facilities**

As a part of m:con Congress Center Rosengarten, the underground car parks 'Congress Center Rosengarten' and 'Dorint' with approx. 700 parking spaces are at your disposal. Please note that the height limit for vehicles is 1.90 m there. Parking on the outside area of the Congress Center Rosengarten is not allowed.

Vehicles higher than 1.90 m can be parked on the nearby car park (near the stadium 'Carl-Benz-Stadion', direction airfield 'Flugplatz Neuostheim', Theodor-Heuss-Anlage 12 in Mannheim): turn right before you get to the KPMG building, then turn right again, the car park is on the left. You can take the tram number 6 to get back to the Rosengarten. The vehicles could also be parked on the “Neuer Messplatz” (Maybachstraße in Mannheim). Please note that these are all public parking spaces where we have no impact on free parking space!
04 | Information on Delivery and Installation

- Delivery
Owing to a shortage of space, deliveries can be carried out only on the days of installation. For organizational reasons, earlier deliveries have to be carried out by the forwarding company 'Spedition Schenker' (address see “Storage”, page 11) at your expense, otherwise they are returned at your costs.
For deliveries of advertising material, brochures and other articles, please indicate the following extended address:

Congress Center Rosengarten
DGK JT 2018
Company name
Name of your contact at the exhibition
Mobile number of your contact at the exhibition
Stand number
Rosengartenplatz 2
68161 Mannheim
Germany

Please note that deliveries have to be effected directly to the stand area. Congress Center Rosengarten and the congress organizer do not accept any deliveries. All deliveries are left to the owner’s risk: m:con and the congress organizer do not assume any responsibility for deliveries.
**Unloading on the exhibition grounds of Congress Center Rosengarten**

The access to the ‘Rosengarten’ from ‘Friedrichsrin g’ has a gate opened by a porter. Please note that cars which are used for delivery and collection have to be parked in the underground car park at your costs. Only vehicles higher than 1.90 m may enter the Rosengarten area during installation and removal and only for loading and unloading purposes!

On entering the grounds of Congress Center Rosengarten, the time of arrival and the driver’s mobile number are taken down by one of our employees, and a time of departure is also agreed upon.

All vehicles higher than 1.90 m has to be announced with the attached form until 16.02.2018. Please forward this information to all your suppliers (booth construction company, etc.).

Should pallets be delivered, please note that Congress Center Rosengarten cannot provide a hand pallet truck. It has to be provided by the exhibitor.

**Lifts / goods lifts**

05 | Stand information A – Z

The legal stipulations and regulations in their most current form and the Technical Guidelines of m:con must be observed for all exhibition stands, facilities, exhibits, materials and advertising that are brought into the Congress Center Rosengarten.

■ Additional orders

After the above-mentioned date, orders can be placed on site only plus an extra charge of 20%!

■ Adhesive Tape
A special adhesive tape for delicate floors must be used before using double-sided tape, gaffa tape, etc. in floor 0 and floor 1:

- Foyer floor 0 and floor 1: **Tesa Präzisionskrepp 4334 gelb, 50mmx50m**

You can then continue to work with standard adhesive tape on top of this special tape. The above-mentioned special adhesive tape can be bought on-site. When dismantling, please ensure that all tape is removed without leaving any residue! Marks that have not been removed will be eliminated at the exhibitor’s expense.

■ Advertising
Any sort of advertising is only allowed within the stand rented by the exhibitor and only for the exhibitor’s own company and the exhibited articles manufactured or distributed by the exhibitor’s own company. All advertising effort outside the stand area has to be approved by the organizer of the exhibition.

The distribution and the display of printed matters and advertising material outside the own stand area is only allowed by our licensed service partner. Should you be interested, please refer to:

Important information – compact and clear

Audio- / visual presentations
Any kind of presentations on the stand requires the organizer’s approval. Approval is granted with the pre-requisite that the presentation will not negatively affect or interrupt neighbouring stands and the ongoing congress. The organizer shall have the right to cancel a presentation in the event of disregard for his regulation.

Construction heights
Please observe the construction height valid for you in the confirmation of admission for your stand.
The maximum construction height for stands vary from floor to floor. Restrictions owing to structural causes have to be observed.

- in the lower foyer on floor 0: 3.00 m (limited construction height in the area of the access to the underground car parks and in front of the sanitary facilities, as well as in the area of the cloakroom)
- in the upper foyer on floor 0: 2.50 m (limited construction height in the area of the access to the elevator and the catering counter)
- in the foyer on floor 1: 3.00 m (limited construction height in the side foyers below the gallery and below the fire curtains!)
- in the foyer on floor 2: 2.80 m (limited construction height in the Musen- / Stamitzsaal foyer and below the fire curtains!)
- in the foyer on floor 3: 3.00 m
- in the foyer on floor 2 / Dorint: 2.50 m

Prior approval by the organizer is necessary for construction heights exceeding 2.50 m. For this please send back the attached form until 16.02.2018.

Floorings of all kinds from 4 mm on require approval by the organizer, have to be highlighted in contrast colour and secured against stumbling and tripping. Exceeding flooring heights from 2.50 cm on require canted edges in contrast colour.
Please note that no raised flooring will be approved for the foyer between the Musen- and Stamitzsaal.

Damage
The exhibitor is responsible for damage to facilities of Congress Center Rosengarten, floors, etc., as well as to material let or lent to him.
Digital vouchers for the congress
In the run-up of the exhibition, you can forward digital vouchers for the congress to your customers. Should you be interested, please refer to:

m:con Registration Services
Ms Manon Waas
manon.waas@mcon-mannheim.de

Disposal
In general, reusable and eco-friendly materials have to be used for the installation and the operation of a stand. It is not allowed to leave any materials at Congress Center Rosengarten. Any materials left are disposed of without checking the value at the exhibitor’s cost and at a higher charge.

Electricity
The laying of electrical cables outside the stand, as well as connection to the supply network may only be carried out by m:con. For electrical installations inside the stand, as well as for the laying of electrical cables, the instructions of VDE have to be observed. It is recommended to order m:con to carry out the work inside the stands as well.

The equipment and the illumination of the stands have to be disconnected from the grid by the exhibitor after the end of the exhibition and before leaving the stand respectively. In case of non-observance as to the above mentioned switching off regarding equipment and illumination, m:con reserves its right to charge any costs that may result from additional consumption of electricity to the exhibitor’s account.

In order to provide suitable protection, all electrical appliances which generate or radiate heat (cooking plates, spotlights, transformers etc.) must mounted on non-flammable, heat resistant bases not containing asbestos. These require approval which must be applied for from m:con at least until 16.02.2018. Devices which do not have a CE marking may not be used as a matter of principle.

The exhibitor is responsible for the self-installation on the stand. If you wish electrical installations at a certain place, we ask you to let us have a sketch accordingly. If you require electricity, you can place your order online.
Emergency exits and escape routes
The aisles between the exhibition areas serve as escape routes in cases of Emergency. At no time these aisles should be blocked. Escape routes must always be kept free of hindrance.
The exit doors, emergency exits and their signposting must never be obstructed, built over, closed in, obstructed by drapes or disfigured in any way.

Empties
During the installation, the duration of the congress and the removal, it is not allowed to store empties on the stands, outside the stands, inside the Congress Center Rosengarten and in its outside area. Dispatch and storage of empties can be dealt with by the forwarding company Schenker (address see “Storage”, page 11).

Examination of the rented space
After the assignment of space, exhibitors must make themselves aware of any fixtures, in particular hall pillars, fire alarms, wall hydrants, ventilation systems, as well as uneven flooring. m:con shall not be responsible for the accuracy of dimensions on hall and stand plans.

Exhibition construction company
The exhibitor’s service handbook and all important information according the exhibition have to be forwarded to the exhibition construction company and other service providers by the exhibitor.
The exhibitor’s service handbook (in German and in English) is at your disposal on the internet at http://jt2018.dgk.org/aussteller-sponsoren/ausstellerliste-hallenplan-bestelltool/ at any time.

- **Fire protection**
  All materials of the stand have to be flame-resistant according to DIN 4102-1 (B1). The exhibitor must be able to furnish proof of flame-resistance on the stand at any time.
  The fire extinguishers, wall hydrants and emergency buttons at Congress Center Rosengarten must not be blocked or made inaccessible under any circumstances. It is not permitted to render the instruction signs illegible.

- **Floor covering**
  - Floor 0 Variohalle: carpeting dark anthracite
  - Floor 0 and floor 1: granite anthracite
  - Floor 2 and floor 3: carpeting dark anthracite
  - Floor 2 / Dorint: carpeting blue respectively blue-beige flecked

  Floor coverings and other floors have to be laid accident-proof and must not project over the boundary of the stand. If you lay floor coverings using double-sided adhesive tape, please note that it has to be removed without residue on removal. On floor 0 and floor 1, special adhesive tape for delicate floors (see “Adhesive Tape”, page 13) must be used. Remaining residues will be removed at the exhibitor’s cost.
  The maximum floor loading capacity is 500 kg per sqm. The maximum floor loading capacity on the elevating podia on floor 3 is 250 kg per sqm. In case that heavier exhibits are to be installed, it has to be arranged with and approved by the organizer. Loads should be distributed, concentrated heavy loads have to be avoided at any rate.

- **Forklift trucks / hand pallet trucks**
  Please note that Congress Center Rosengarten cannot place forklift trucks and hand pallet trucks at your disposal. This service can be dealt with by forwarding company Schenker (address see “Storage”, page 11). Please note that the use of forklift trucks is not allowed inside.

- **Glass and plex-glass constructions**
  Only safety glass may be used in the construction of superstructures. Glass panes must be of a round edge construction or finished in such a way that potential injury risks are ruled out. Constructions made entirely of glass are to be marked at eye level.
  Safety glass must be used for any superstructures. Edges of glass sheets must either be
rounded or designed in such a way that there is no risk of injury. Structures made entirely of glass must be marked at eye height.

- **Grinding work and all work with naked flames**
  All welding, cutting, soldering, thawing, grinding and other work which poses a fire hazard must be reported to Rosengarten Congress Center before the work starts and applied for in writing each day. Areas surrounding such flame work must be adequately screened off to eliminate danger. Fire extinguishers must be kept in the immediate vicinity.

- **Guarding**
  The organizer of the exhibition provides a general guarding without accepting responsibility for damage or loss. Articles brought to Congress Center Rosengarten are at the owner's risk, m:con accepts no responsibility for articles deposited. The exhibitor has to take care of a special guarding for his stand and goods himself. Stand guarding service can only be ordered online.

- **Hazardous materials**
  It is forbidden to use open fire or naked light, e.g. spirit, fuel, oil, gas, etc.

- **High-frequency units and radio units**
  The use of high-frequency units and radio units requires approval which must be applied for from m:con at least until **16.02.2018**.

- **Hotel accommodation service**
  Please book online at: [http://ft2018.dgk.org](http://ft2018.dgk.org), or contact: m:con Hotel Services, Ms Claudia Morio, P: +49 (0)621 / 4106 - 8641, claudia.morio@mconmannheim.de until **28.02.2018**.

- **Householder’s right**
  m:con and the service providers commissioned by m:con shall have householder’s rights vis-à-vis the exhibitors, their builders and all individuals located in the exhibition space. The organizer shall have the right to expel from the Congress Center Rosengarten individuals who do not adhere to the regulations of m:con or the services providers commissioned by m:con or who violate the conditions for participation. The organizer shall also have the right to
ban these individuals. m:con, persons commissioned by m:con, the police, the fire department and the supervisory authority shall have access to the stands at any time.

**Illumination**
Possibly, the general illumination at Congress Center Rosengarten is not sufficient to illuminate the individual stands effectively. In your own interest, we recommend to plan on additional installation of illumination on your stand.

**Information counter for exhibitors**
During the congress an information counter for exhibitors will be operated at the conference counter where an employee of ours will be at your disposal for repeat orders and for any queries concerning your participation in the exhibition that may occur.

**Installation of stands**
All stands have to be installed as self-supporting constructions. Fastenings on the walls, pillars and floors of the halls are not allowed. Pillars, buttresses, projections etc. within the exhibition area are part of the allocated space. It is not allowed to exceed the allocated space for installation. Sticking up of advertising material on the walls, pillars or other parts of the venue is not allowed. The exhibitor is liable for any damages owing to violations and is responsible for the security of the stand; they must provide evidence of this.

Lighting facilities and signs may not exceed the limits of the stand. m:con retains the right to bill for any additionally used space.

Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible. A minimum safe distance of 0.5 m to the ceiling sprinklers has to be kept.

In the foyer of floor 0 only LED-spotlights may be operated for fire protection reasons. In case of non-observance m:con reserves the right to have non-approved spotlights removed.

Rear sides of stands which are visible and back onto neighbouring stands must be of a smooth construction and neutral colour (white or light grey). The exhibition organizer reserves the right to insist on the modification of stands which are deemed inadequate or non-approved along with the right to order the
removal of inappropriate exhibits when these are either bothersome or
dangerous to visitors or exhibitors. Serious security defects can also lead to
either partial or complete closure of the stand.

■ Insurance
The exhibitor shall be liable for all personal and material damages that arise
from the operation of their exhibition stand and materials. It is recommended
that the exhibitors obtain adequate insurance protection.

■ Internet access / EDP
Please note that in case of orders for internet access, the configuration or
installation of additional hardware and software brought by the customer is not
included in the range of delivery. The exhibitor is responsible for the observance
of the licensing agreement in case of software brought by himself.
Internet access can only be ordered online. The exhibitor is responsible for the
rented technical equipment for the duration of the rent.

*Exhibitors at the Congress Center Rosengarten are not permitted to set
up and run their own wireless networks*. Non-compliance with this
regulation may as applicable result in claims for damages by the event
organizer or the neighbouring exhibitors affected.

For increased traffic and complex presentations on the booth we recommend
the booking of a broadband LAN-connection.

■ Motor vehicles
The exhibiting of motor vehicles must always be approved of by the exhibiting
organization. Motor vehicles with internal-combustion engines may only be
exhibited in Congress Center Rosengarten if the tank of the vehicle has been
emptied to a maximum of 5 liters of gasoline and filled up with nitrogen, and also
only if the battery cables have been disconnected.
Multifunctional pillars
There are multifunctional pillars with the measures 1.15 m x 1.00 m in the side foyers in floor 1. On one side inside these pillars, there are connections (electricity, TV, EDP) and fresh air respectively hot air is entering from the other 3 sides of these pillars into the foyers. The pillars must not be surrounded or blocked and nothing may be fixed on them. All round the pillars, a minimum safe distance of 1.00 m has to be kept.

Musical reproduction
Any kind of musical reproductions shall be subject to provisions of the German Act for Protection of Copyright and Related Property Rights ("Urheberrechtgesetz"), Section 15 of the German Copyright Act ("Urhebergesetz") (German Federal Law Gazette [BGBl], and shall require the approval of GEMA, the musical authors’ rights society, which may be reached at:

GEMA Generaldirektion Berlin
Bayreuther Str. 37

Germany
P +49 30 212 45-00
F +49 30 212 45-950
messe@gema.de or gema@gema.de
www.gema.de

Musical reproductions that have not been registered with GEMA may result in damage claims being filed by the latter (cf. Section 97 of the Copyright Act).

Park tickets
For the duration of the congress from 4 to 7 April 2018 we provide park tickets with reduced costs of 12.00 euros including the statutory VAT per day. The park tickets are valid for the garages “Rosengarten” or “Dorint Hotel” and are available at the registration counter for exhibitors.

Respirable dust badge: „Feinstaubplakette“
Please note that from 1st January 2013 on it is absolutely necessary in a few areas of Mannheim to place a respirable dust badge coloured green in your car or lorry. The Congress Center Rosengarten and the Wasserturm (underground car parks) belong to these areas. You may get this badge at the TÜV, DEKRA,
authorized garages and by internet. Please read up on this topic! Further information please find e.g. at www.umwelt-plakette.de/.

■ Service counter for exhibition
During installation a service counter for exhibitors will be operated on floor 1 where an employee of ours will be at your disposal for repeat orders and for any queries concerning your participation in the exhibition that may occur.

During the construction times, a mobile catering service of the Dorint Congress Hotel will be operating and selling food and drinks for your well-being.

■ Smoking
Smoking is strictly forbidden in the whole inside area of the Congress Center Rosengarten at any time.

■ Stand roofs
As a matter of principle, stands must be open at the top. This is to ensure sprinkler protection. Roofs shall only be possible in exceptional cases and must be approved by the exhibition organization. Evidence of sprinkler suitability must be kept on hand in any stand with an approved roof.

■ Storage of information material and brochures
The storage of informational material is only permitted in the amount required for that given day and only on the stand surface. Storage outside of the assigned stand surface is not permitted.

■ Suspensions
Prior approval by the organizer of the exhibition is necessary for suspensions. They are only allowed in exceptional cases.

■ Theft
In order to keep the danger of theft as low as possible, we ask you, in your own interest, not to leave your stand unattended after the delivery of exhibits. In general, a stand guarding, especially for the nights, is to be recommended. In any case, you should lock away valuable goods during the night.
We recommend you never to leave your stand unattended during the opening hours and to make goods in danger of theft especially secure. On removal, we ask you not to leave your stand before valuable goods have been loaded or handed over to the carrier. If this is not possible, it is advisable to book a stand guarding.

- **Woodworking**

The German regulation concerning hazardous substances (GefStoffV - §8 Paras. 2.2 and 2.7) requires that appropriate suction equipment be fitted to woodworking machines. If this regulation is not heeded, Rosengarten Congress Center will stop assembly work.
Food and beverages for catering on your stand are provided by the service partner of Congress Center Rosengarten:

**Dorint Kongresshotel Mannheim**
- Convention Sales Manager -
Ms Graziella Amato / Ms Thu Nguyen
Friedrichsring 6
68161 Mannheim
Germany
P: +49 (0)621 / 41 06 406
F: +49 (0)621 / 41 06 417
graziella.amato@dorint.com / thu.nguyen@dorint.com

Please note that orders for food and beverages can only be placed via this licenced caterer. If you wish to be supplied by another service, prior arrangements have to be made. The Dorint Kongresshotel Mannheim may charge a fee for the transfer of its catering rights which is based on the number of sqm space per day of exhibition plus VAT. Therefore it is absolutely necessary to consult our service partner.
